**MEMORANDUM TO ALL WING MEMBERS**

From: Col Al Applebaum, PAWG/CC

Date: 23 December 2003

Regarding: State Appropriation

Yesterday, our state appropriation, part of the overall revised Commonwealth budget was approved by the Pennsylvania House of Representatives following the Senate's approval of the same bill over the weekend. With this good news, we are now working to revise our operating abudget and being normalizing opetrations.

This success is due to the efforts of all members. You have contacted your elected officials to educate them on the value CAP provides. You perform missions for the Commonwealth and America with dedication and professionalism. You help develop the Commonwealth's future leaders. I sincerely appreciate your efforts.

Please remember to go back to your Representative and Senator and thank them for keeping us in mind as they worked through this very difficult budget process. Please show them that we appreciate all of their efforts.

Finally I would ask you to send letters of appreciation to the Governor and his staff for their efforts on our behalf.

Thanks again for all of your hard work. Have a happy and safe holiday.

M. Allen Applebaum, Colonel, CAP  
Commander
